Little Miss Umbrella **building character**

Fact sheet concerning character

According to the buildings' location (in a dominant position on the town square, slightly hidden between two larger buildings, ...), their design, material, structure and their overall appearance we try to give them their individual character and story.

We focus especially on the difference between old and new. We try to understand the buildings' state of mind. How do they feel about their location, what could they tell us, what experiences have they made, what do they do, how are they different from the others, which specific characteristics do they have, what could they be missing, what would they wish for, ...

Building's label	Name	Character	Biography	Wishes
e.g. city hall, restaurant, school, church, ...	e.g. Big Spender, Diamond, Pearl, Hidden Jack, ...	e.g. funny, curious, cheeky, boring, nervous, rude, tired, ...	e.g. lost many friends in war, doubled in size during the last few years, ...	e.g. would love to be part of a pair, wants a light roof, does not want to stand in water, ...
